6. Key Projects 2 Narrative Conway Niagara.pdf

Mr. Daly:

Weston Solutions has submitted our qualifications to the Texas Commission on Environmental Quality (TCEQ) Superfund Program in response to their consulting and remediation RFP. We have included Chad Conway as part of our key personnel for the response, as a Site Supervisor. I am writing to ask whether you may serve as a reference for Chad for his work as a site supervisor on the Niagara Falls project.

I have attached a copy of a reference letter for Chad, as required by the RFP. You may receive a call regarding his work, perhaps in 4-8 weeks. Please review, and let me know if you have any questions about the letter, or if there's anything else we can help you with.

Thanks for your help with this!
